

## Glossary of Alternative Performance Measures

Grupo Cooperativo Cajamar uses in its quarterly results presentations published on its website, issue prospectuses, presentations to investors and internally in its business monitoring reports, business indicators as per the applicable accounting standards (IFRS), although it also uses additional, unaudited measures commonly used in the banking sector (Alternative Performance Measures or APMs), as indicators about the business and the economic-financial position of Grupo Cooperativo Cajamar, which allows for comparison with other entities.

These measures (APMs) are calculated in accordance with the European Securities and Markets Authority Guidelines (ESMA/2015/1415es, of 5 October 2015), to facilitate the reporting transparency for the protection of investors in the European Union. The measures used by Grupo Cooperativo Cajamar, and their definitions are given below:
