5,090 employees

948 sales points

Group consolidation perimeter (financial and non financial)

Grupo Cooperativo Cajamar timeline, background and historical developments

Banco de Crédito Cooperativo. Functions and delegated powers

Results mutualization

Entities members of the Group put together 100 % of their individual Results before taxes to provide a Mutualization Fund. The % of assignment of the Mutualization Fund is calculated depending on the contribution of Own Funds to the Group (net of cross-shareholdings).

Example
(millions €)

	 BCC	 cajamar	 Resto de Cajas integrantes del Grupo	 GRUPO COOPERATIVO CAJAMAR
Individual Own Funds	1,125	3,907	321	5,352
(-) Participation in BCC/Grupo Cajamar	-	(911)	(79)	(989)
(-) Participation in BCC/Grupo Cajamar	1,125	2,996	242	4,363
% contribution to the Own Funds of the Group	25.78%	68.67%	5.55%	100.00%

The **mutualization percentages** are updated annually or when there is a relevant variation in the structure of Own Funds of Group entities.

- ✓ Incorporation/removal of some entity member of the Group.
- ✓ Business concentration of one entity member of the Group with one entity not member of the Group.
- ✓ Increase/reduction of BCC capital.

Cooperative Banking (I)

Credit cooperatives

Completely private institutions with dual status due to their legal form:

1. **Cooperative societies**, with a specific legal rules,
2. **Financial deposit-taking institutions**, similar to other banking institutions

Variable share capital.

Company purpose: to serve the financial needs of their partners and third parties through the exercise of activities pertaining to credit institutions (Credit cooperative law).

Peculiarity: the distribution policy of **available surplus**.

The **Education and Promotion fund**, constituted with 10% of the available surplus each year, is mainly intended for the training of cooperative members and workers in cooperative, business, economic and professional principles and techniques, actions promoting social responsibility and the promotion of inter-cooperative relationships, cultural activities and the creation of new cooperative enterprises.

The **first Credit Cooperative** in Spain was founded in **1901**.

There are **various types of Credit Cooperative** (rural saving banks, popular saving banks and professional saving banks).

Grupo Cooperativo Cajamar forms part of the dominant typology in Spain (rural saving banks).

First estimate of financed emissions (Scope 3, category 15 of the GHG Protocol).

Definition of sustainability scorecard.

2022

Presentation PRB targets.

Adherence to the NZBA initiative.

2023

Adhesión al Partnership for Carbon Accounting Financials (PCAF).

Presentation of first sectoral targets.

2030

Time horizon for interim targets.

2 Mission, vision and business model

The branch in the Group model of territorial planning

- ✓ The branch model of Grupo Cooperativo Cajamar, rooted in the territory, allows to reconcile **economic-financial efficiency and sustainability** with its **social and foundational** commitment to the **development of rural communities**, helping **fixing population in the territory, combating depopulation, creating employment and promoting sustainable local development**.

Essential drivers in the evolution of the banking branch in Grupo Cooperativo Cajamar

- ✓ **Value creation:** from transactional branch to advisory
- ✓ **Digital transformation:** from physical dispensation and distribution to self service and new channels
- ✓ **Financial inclusion:** from closeness to nearness

Branch types and functional contribution

Items for the territorial planning

- ✓ Support to the cooperativism.
- ✓ Support to the primary sector as a transversal axis for sustainability.
- ✓ Support to agrifood innovation.
- ✓ Support to the social and solidarity economy.
- ✓ Support to sustainable local development.
- ✓ Support to the real and productive economy based on people.
- ✓ Support to local productive systems.
- ✓ Support to sustainable territorial development.
- ✓ Growth with the environment (creation of shared value).

The Group contributes to the main local production systems in Spain:

- ✓ Through the way of financing and financial intermediation.
- ✓ Through the  and the knowledge transfer across its agricultural experimental centers.
- ✓ Through the partnerships with local institutions and other actors.

Financial inclusion in the rural world

- ✓ The Group seeks innovative ways to manage business in **small municipalities**.
- ✓ It combines the search for higher levels of efficiency, required by the market and the Regulator, with measures to **combat financial exclusion**.

THE SUSTAINABLE FINANCE DIRECTOR PLAN

- ✓ **Cajamar Group, through the Sustainable Finance Director Plan, has established the basis of its contribution to the process of decarbonization of the economy (2021-2050) through five major pillars**, complying with regulatory expectations in this area, whose main objective is to achieve the reduction of CO2 emissions into the atmosphere to reach zero net emissions by 2050 at the latest.

Agri-food innovation is a hallmark of Grupo Cooperativo Cajamar (I)

- ✓ Grupo Cajamar is the only significant Spanish financial institution that for fifty years has had its own structure for the development of applied research services and training activities for professionals, companies and agri-food cooperatives, giving rise to an innovation ecosystem specialized in the transfer of knowledge and technology.
- ✓ At present, this task is developed through four strategic units that support implementation and dissemination: **Plataforma Tierra, Cajamar Innova, Publication service and Experimentation Stations.**

Agri-food innovation is a hallmark of Grupo Cooperativo Cajamar (II)

- ✓ In 2023, 84 projects were developed in 4 lines of research and in collaboration with technology centers, universities and international companies.
- ✓ Looking to the future, the Group's interest is focused on issues related to the **intensive use of technology**, the generation of added value, **efficiency in the use of available resources**, especially water and soil, **the sustainability of agricultural ecosystems and commercial differentiation** as a major competitive tool in the global market.

Human resources and company culture

- ✓ The certification as ‘Un Gran Lugar para Trabajar’, granted by the Great Place to Work consulting firm, is the most prestigious national and international recognition in the field of people management and business strategy, awarded annually to the best employers in the world.

- ✓ In order to ensure that the entire **Group incorporates ESG (Environmental, Social and Governance)** management as an integral part of its strategy, the Group is strongly committed to **training its employees** in this area.

ESG Basic	ESG Advanced	ESG Investments
4,042	173	218
Number of people certified in 2023		

- ✓ **Grupo Cooperativo Cajamar has been a signatory of the Diversity Charter** since 2014. It has recently renewed its commitment to the Diversity Charter for the period 2023 -2025, in order to continue contributing to the fulfillment of these European principles.

This presentation (the "Presentation") has been prepared by and is the sole responsibility of Grupo Cooperativo Cajamar.

The information contained in the Presentation has not been independently verified and some of the information is in summary form. No representation or warranty, express or implied, is made by Banco de Crédito Cooperativo or any of its affiliates, nor by their directors, officers, employees, representatives or agents as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information or opinions expressed herein. None of Banco de Crédito Cooperativo nor any of its affiliates, nor their respective directors, officers, employees, representatives or agents shall have any liability whatsoever (in negligence or otherwise) for any direct or consequential loss, damages, costs or prejudices whatsoever arising from the use of the Presentation or its contents or otherwise arising in connection with the Presentation, save with respect to any liability for fraud, and expressly disclaim any and all liability whether direct or indirect, express or implied, contractual, extra-contractual, statutory or otherwise, in connection with the accuracy or completeness of the information or for any of the opinions contained herein or for any errors, omissions or misstatements contained in the Presentation.

Banco de Crédito Cooperativo cautions that this Presentation may contain forward looking statements with respect macroeconomic perspectives and financial Sector. While these forward looking statements represent Grupo Cajamar judgment and future expectations, nevertheless a certain number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from the expectations.

The information contained in the Presentation, including but not limited to forward-looking statements, is provided as of the date hereof and is not intended to give any assurances as to future results. No person is under any obligation to update, complete, revise or keep current the information contained in the Presentation, whether as a result of new information, future events or results or otherwise. The information contained in the Presentation may be subject to change without notice and must not be relied upon for any purpose.

This Presentation contains financial information derived from Grupo Cajamar unaudited financial statements for the first quarter 2025 and the first quarter 2024. None of this financial information has been audited by the external auditors. Financial information is presented according to GAAP as well as internal Grupo Cajamar criteria as a result of which each division reflects the true nature of its business. These criteria do not follow any particular regulation and can include forecasts and subjective valuations which could represent substantial differences should a different methodology be applied.

In addition to the financial information prepared in accordance with the International Financial Reporting Standards (IFRS), this document includes certain Alternative Performance Measures (APMs) as defined in the guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415es) (the "ESMA guidelines"). This report uses certain APMs, which are performance measures that have been calculated using the financial information from Grupo Cajamar but that are not defined or detailed in the applicable financial framework and therefore have neither been audited nor are capable of being completely audited. These APMs are used to allow for a better understanding of the company's financial performance but should be considered only as additional disclosures and in no case as a replacement of the financial information prepared under IFRS. Moreover, the way the Group defines and calculates these measures may differ to the way these are calculated by other companies, and therefore they may not be comparable. Please refer to the file called "APMs glossary" (<https://www.Banco de Crédito Cooperativo.es/en/informacion-para-inversores/informacion-financiera/>) for further details of the APMs used, including its definition or a reconciliation between any applicable management indicators and the financial data presented in the consolidated financial statements prepared under IFRS.

Market and competitive position data in the Presentation has generally been obtained from industry publications and surveys or studies conducted by fourth-party sources. Peer firm information presented herein has been taken from peer firm public reports, though we do not call any of them by its name. There are limitations with respect to the availability, accuracy, completeness and comparability of such data. Grupo Cajamar has not independently verified such data and can provide no assurance of its accuracy or completeness. Certain statements in the Presentation regarding the market and competitive position data are based on the internal analyses of the Group, which involve certain assumptions and estimates. These internal analyses have not been verified by any independent source and there can be no assurance that the assumptions or estimates are accurate. Accordingly, undue reliance should not be placed on any of the industry, market or Grupo Cajamar competitive position data contained in the Presentation.

The distribution of this Presentation in certain jurisdictions may be restricted by law. Recipients of this Presentation should inform themselves about and observe such restrictions. Grupo Cajamar disclaims any liability for the distribution of this Presentation by any of its recipients. Grupo Cajamar can not be held responsible for the use, valuations, opinions, expectations or decisions which might be adopted by fourth parties following the publication of this Presentation. This Presentation does not constitute or form part of, and should not be construed as, (i) an offer, solicitation or invitation to subscribe for, sell or issue, underwrite or otherwise acquire any securities, nor shall it, or the fact of its communication, form the basis of, or be relied upon in connection with, or act as any inducement to enter into any contract or commitment whatsoever with respect to any securities; or (ii) any form of financial opinion, recommendation or investment advice with respect to any securities.

By receiving or accessing to this Presentation you accept and agree to be bound by the foregoing terms, conditions and restrictions.

THANK YOU
